# Meet Frank, The Media Guest

## **Bringing Knowledge to the Networks**

### **Talk About it, with Frank**

Frank enjoys talking about the world of digital media and sharing his experiences in entrepreneurship. He has had various guest spots on local and international radio shows and podcasts, as well as network television and news websites, discussing a wide range of web technology and entrepreneur related topics.

## **Transcending Topics**

### **Entrepreneurship**

Frank is an established, passionate entrepreneur. A mentor for SCORE, he enjoys mentoring existing and new entrepreneurs in their journey. He understands and discusses the struggles, as well as the rewards of entrepreneurship from his own personal experience cofounding and building his company, Hoopla Doopla.

### **Digital Media, Branding, and Marketing**

Frank brings nearly twenty years of digital media knowledge to a discussion. From website building and online marketing, to personal branding and the latest creative digital trends, he's got just about all of the areas of web technology covered.
