Meet Frank, The Mentor

Learn the industry, from an industry expert.

With over twenty years experience, Frank enjoys giving back to his community, and helping entrepreneurs get the help they need to build their business.

Frank offers group classes, one-on-one sessions, and mentoring in many areas of digital media and business building.

Frank is also a mentor for SCORE, the nation's largest network of volunteer business mentors who help small business owners establish and grow their companies. He lends his time and skills in website building, online presence, branding, affiliate marketing and more.
